Forward-Looking Statements

This document contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995.

Such forward-looking statements include statements regarding Nano's strategic plan and value to shareholders, and all other statements other than statements of historical fact that address activities, events or developments that Nano intends, expects, projects, believes or anticipates will or may occur in the future. Such statements are based on management's beliefs and assumptions made based on information currently available to management. When used in this communication, the words "outlook," "guidance," "expects," "believes," "anticipates," "should," "estimates," "may," "will," "intends," "projects," "could," "would," "estimate," "potential," "continue," "plan," "target," or the negative of these words or similar expressions are intended to identify forward-looking statements, though not all forward-looking statements contain these identifying words. These forward-looking statements involve known and unknown risks and uncertainties, which may cause the Company's actual results and performance to be materially different from those expressed or implied in the forward-looking statements. Accordingly, we caution you that any such forward-looking statements are not guarantees of future performance and are subject to risks, assumptions, estimates and uncertainties that are difficult to predict. Because such statements deal with future events and are based on the current expectations of Nano, they are subject to various risks and uncertainties. Further, actual results, performance, or achievements of Nano could differ materially from those described in or implied by the statements in this communication. The forward-looking statements contained or implied in this communication are subject to other risks and uncertainties, including those discussed (i) under the heading "Risk Factors" in Nano's annual report on Form 20-F filed with the SEC on March 21, 2024, and in any subsequent filings with the SEC, (ii) under the heading "Risk Factors" in Desktop Metal, Inc.'s annual report on Form 10-K filed with the SEC on March 15, 2024, and in any subsequent filings with the SEC, and (iii) under the heading "Risk Factors" in Markforged Holding Corporation's annual report on Form 10-K filed with the SEC on March 15, 2024, and in any subsequent filings with the SEC. Except as otherwise required by law, Nano undertakes no obligation to publicly release any revisions to these forward-looking statements to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events. References and links to websites have been provided as a convenience, and the information contained on such websites is not incorporated by reference into this communication. Nano is not responsible for the contents of third-party websites.
